

NOVEMBER 20TH, 2018 PATTY MALEK BROADCAST of MASTERS SPEAK

We just bring all into a relaxed state through STILLNESS. Just like everyone to have their feet nicely anchored on the ground, relax the shoulders, relax the neck muscles by just turning the head left and right slowly...

We are receiving the Essence of the Master's Presence, the footprints and the Grid Systems of all the Ancestor from the Uluru vibrations, Aboriginals and Ancestors that are integrating heightened information for us now.

We deliver a message to bring calmness and balance and healing to all consciousness both Masculine and Feminine on this Planet.

We have received stories from the Teachers that walked with us through the Uluru Rock formation and listened to the Ancestors journeys of survival and living and being in harmony through a connective communications in the Outback with the Animal Kingdom, with one another, and with the Star Elders and the Star Nations. I bring forth the story of all Soul Journeys to heightened all Evolutionary minds that will begin Transitioning, Transfiguring and Transforming into elaborate Systems of LIGHT CODES.

Light language....

Through Stillness.... a knitting and intertwining of Light Codes of Consciousness will be elevating and synchronizing all footprints and all imprints in all Frequencies as you walk through the Rock Formation of Uluru.

There are Ice Particles that are breaking Barriers in Burgs in Iceland, Alaska and Artic Poles that are harmonically waving their Water Fields of LIGHT Consciousness Fields into Crystal Kingdoms.

Those Burgs are connecting with the Lava Burgs, and there is cracking open in the Inner Core Field, where there is a stronghold of light and dark that is moving into a Ying Yang vibration of a harmonic pulse of Masculine Feminine vibrations of Light Chords.

These are the Helix patterns these are the formations of Love Light and Freedom, and these are the originating Souls and their Crystal Formations that are awakening and tapping into the Medicine Stick of that Ancient ONE standing in Uluru.

Tapping, connecting,

These are Crystal Seeds that are being sown again, these are Seeds that have to be rewoven and re-sown and reprogrammed in all Ancestors; and so the Star Elders, and Star Nations, are now talking to the Sun Gods. The Sun GODS are the Mayan, Andean, Aztec, Purvian, Atlantean and Egyptian Sun Gods.
